SUMMARY

Aspiring Web Developer and Computer Science Engineering student with a strong foundation in front-end development and a keen interest in back-end technologies, particularly Spring and Spring Boot. Proficient in UI/UX design and graphic design, with hands-on experience using professional design tools. Previously worked as a Graphic Designer at Horizon Tech, where I honed my skills in creating visually appealing and user-friendly interfaces. Eager to leverage my technical skills and design expertise to contribute to innovative web development projects.
